
Copenhagen July 2018

Dear Customers, Suppliers, Agents & Partners,

Due to re-structuring in the Maersk Group, it has been decided to transfer the activities and products in Maersk Fluid Technology A/S, into Maersk Line Fleet Technology and cease the operation in Maersk Fluid Technology A/S.

This means that the Maersk Group will no longer sell the SEA-Mate® products (including Blending-on-Board) outside of the Maersk Group.

For existing customers, suppliers, agents and partners Maersk will honor existing commitments.

At the same time, a spin-off of the SEA-Mate products (including Blending-on-Board) in Maersk Fluid Technology A/S has been done to Marine Fluid Technology A/S. The commercial activities from Maersk Fluid Technology A/S will therefore continue in the marine & power plant industry but now outside of the Maersk Group.

This new setup has been done via a license agreement from A.P. Møller-Maersk A/S to Marine Fluid Technology A/S, granting license rights to utilize A.P. Møller-Maersk's IP Rights, design, software, etc.

As an authorized license holder, Marine Fluid Technology A/S will continue to manufacture and sell the SEA-Mate products (including Blending-on-Board systems), as per A.P. Møller-Maersk A/S specifications.

Marine Fluid Technology A/S is also an authorized service-, repair- & spare-part provider for the SEA-Mate products.

For any further questions to Maersk relating to Technical and Operational queries, please contact:

Mr. Henrik Weimar
E-mail: Henrik.bak.weimar@maerskfluid.com
Telephone: +45 2028 7297

For questions relating to the actual transaction, please contact:

Mr. Niels Henrik Lindegaard
E-mail: niels.lindegaard@maersk.com
Telephone: 45 3363 3363

For contact to Marine Fluid Technology A/S, please contact:

Mr. Jens Byrgesen
E-mail: jens.byrgesen@marinefluid.dk
Telephone: +45 2476 9512

MAERSK
FLUID TECHNOLOGY

We, at Maersk Fluid Technology A/S, would like to thank you for the cooperation and exciting discussions during the past 10 years and wish all of you good luck and hope our paths will cross again in the future.

Sincerely Yours,

Niels Henrik Lindegaard
Chairman of Maersk Fluid Technology A/S
